BRIDGE DECK WORK ON NH ROUTE 108 IN EAST KINGSTON
WILL REQUIRE SINGLE LANE TRAFFIC UNTIL JULY 1

The New Hampshire Department of Transportation announces bridge deck repairs are scheduled to begin today (May 4, 2005) on the NH Route 108 bridge over Pow Wow River in East Kingston.

This bridge work will require single lane (ten foot wide) traffic until July 1. Warning signs and stop signs will alert motorists and guide them through the work zone.
